**ARCHIVES:** Annie went to the Archives Workshop at Ellensburg. Though expecting to get a very large resentment, Annie reports the event was wonderful, including a presentation by David C. , of the National Archives Workshop Committee.

As of today we have preserved everything. 45 binders and 2 boxes. Now the question is "Do we want all this?" Do we want only district stuff? Do we want stuff from quarterlies, assemblies, AA pamphlets? Please see the enclosed Archive Inventory and share your thoughts

with our Archivist.

Donations of 3" binders are requested.

Annie said she paid \$29 for camping fee at Ellensberg, and will purchase \$118 in supplies whether it is reimbursed or not.

Rich suggested we pay her camping fee. All agreed.

Annie asked if we would like her to bring anything from Archives to the District meetings, perhaps a book from the previous year. This was a popular idea, and Annie will begin doing this in August.

**OLD BUSINESS:** Changes to our District Guidelines was discussed. Not everyone has reviewed the guidelines to have a solid opinion on changes. A blank outline will be brought to a future meeting. In the mean time, if you have ideas or input on possible changes, please contact Annie.

A suggestion was made that we set aside 15 minutes or so at each District Meeting to read and discuss one of our 12 Traditions so that we may understand them better. A vote was taken and we will begin doing this at September's meeting.

Leah reminded us that District Inventory will be at August's meeting. We need \$50 for rent and a sign up sheet for the pot luck. We can't get the room until 1 O'clock. Plan to be there until 5 PM.

### **Schedule Committee Report**

I have just a few schedules left. Most every group and request has been met. Gail M. Has applied the latest spring copy to our District Web Page. Call or Email me with any new changes or additions.

Yours in service, Rich B.

### **800 Phone Service**

I am sorry I was not able to attend the last 2 meetings, and a big thanks to Joanne, my alternate, who has done a fabulous job getting the information to and from the district in my absence.

The phone committee has had delays in getting all of the volunteers up and running with the phone service due to some untimely events in my life, however we are confident that we will be through all the volunteer introductory phone calls and packets mailed out. Thank you to Rich and Gail who have worked tremendously hard on this committee.

I look forward to getting all the packets out to the volunteers by the next GSR meeting.

I remain committed to serving this district and assisting in the continued venture to help suffering alcoholics to achieve sobriety.

Christine D.

800 Phone Service Chair
