REPORTS 10/12/08

DCM REPORT

Will be attending Oct assembly next weekend in Spokane. Will be leaving early Friday. There is a "Bridge the Gap" meeting at 1:30 at the same place and thought I would attend. Being the assembly is in Spokane maybe GSRs could carpool over Saturday AM for business. Call to order is 8 in the morning. I would love to see as many as could possibly make it. Also we need to get the word out to our homegroups that we need to start putting together an assembly committee for Oct 2010. Will get numbers of Area members that have the info we need for that.

Yours in service

Lorena

1-800 SERVICE

Phone service is working well. We are getting calls regularly and it seems our volunteers are doing a great job!

We are slow in getting the 12 step packets out to all volunteers, but will be getting to everyone as soon as possible. We appreciate your patience and understanding.

Yours in service,

Christine

SCHEDULES

The Fall schedule has been printed after getting all the changes from our spring 2008 schedule.

1500 salmon colored schedules have been printed.

Please note the change of my email address for any corrections/additions; it is rhbond@wildblue.net

I have been in contact with the Bonner County Daily Bee newspaper to keep the Sandpoint listings up to date.

Special thanks to our District 14 Webmaster, Gail M. For entering all the schedule changes to our web site.

Many hours and emails were spent correcting the Washington State East Area 92 schedule web page listing also.

I have also contacted the central office District 8 in Coeur d'Alene with new schedules and notified them that we no longer have the Sandpoint 263 phone number- only the 1-800 number.

Y.I.S.

Rich B.

Treatment and Corrections

Mens & women's jail meetings are going fine. Two men currently going in & three women. Women's meetings are pondering doing more than one meeting a week for jail. Sandpoint jail has had a little drop in men's jail committee but still going strong.

Donations for jail literature came from Newport, Sandpoint, Friday night Bonners Ferry and Sunday AM meeting.

YIS

Kim S.

Archive report

June, Leah and I have finally put all the active binders in order and placed the inactive ones in a separate numbering system. We have 28 active binders all of which are current, labeled and inventoried. There are 20 inactive binders.

I have attached the inventories of both for the record. This has been a 4 year project and finally we are in pretty good order and up to date. We are grateful to everyone who has added to our collection and ask you to search your records for any items you may have that are pertinent to the district and call me so I can arrange to get them.

406-295-4330.

Also I would like permission from the GSR to now come to the meetings on a quarterly basis. As I am no longer a GSR or alternate and have no vote I feel this attendance pattern will give me plenty of time to connect with you all. Also I plan on e-mailing the secretary a monthly report.. I appreciate your support in this matter.

Thanks, Annie L. Archivist
