800 Phone Service

The phone service is working well. We continue to need more volunteers to serve on both the phone service to answer calls and on the 12 step call list (people willing to call people and if applicable meet with people who reach out for help). If you would like to sign up please see me after the meeting for sign up sheets. I ask that you would also please bring the sign up sheets to your home groups to ask for more volunteers.

The 12 step call packets will be available next week and the committee hopes to work toward offering the packets from the website to be downloaded and printed.

I remain committed to serving this district and assisting in the continued venture to help suffering alcoholics to achieve sobriety.
